2025

#EURegionsWeek

From local perspectives to integrated territorial plans:

How small cities shape the energy transition

23rd

**EUROPEAN WEEK of
REGIONS and CITIES**

Shaping Tomorrow, Together

13-15
OCT
2025

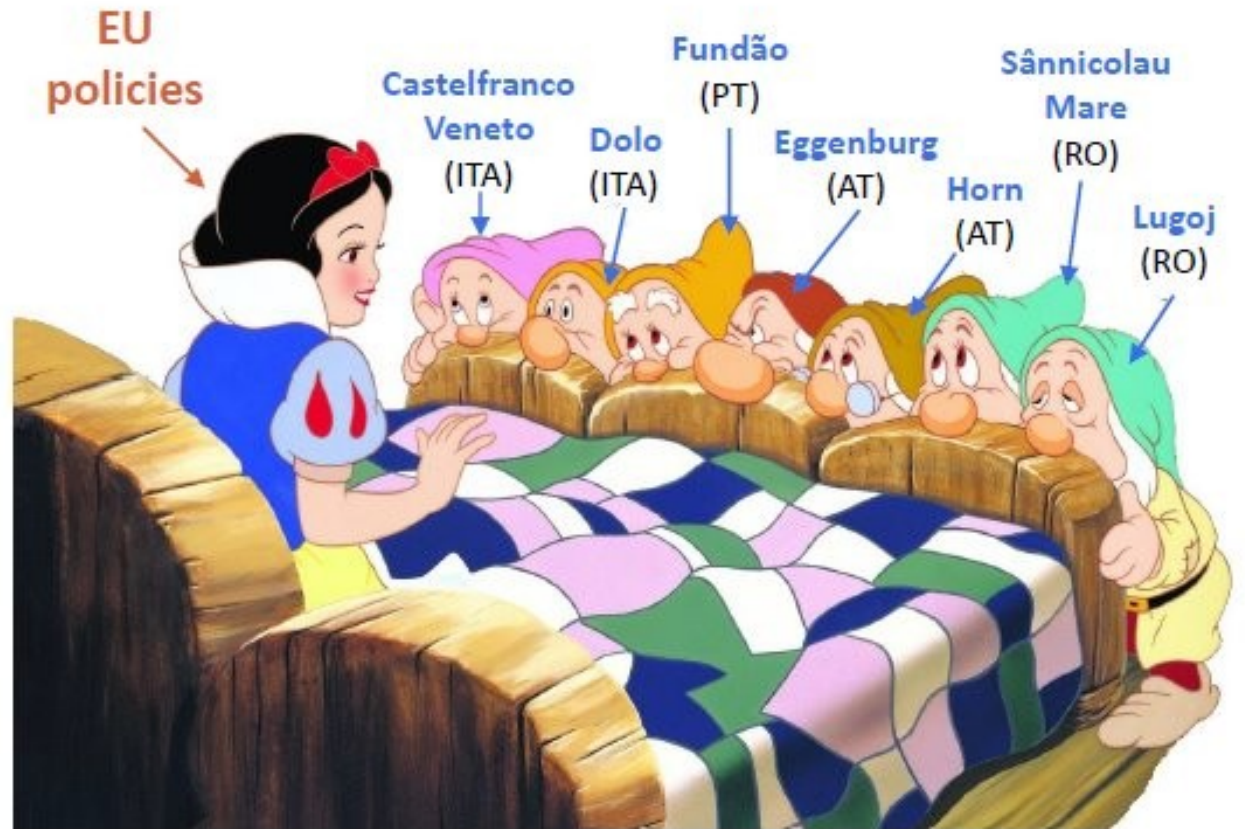

Alice Borsari, Samuele Zilio, Eugenio Muccio, Adriano Bisello

#EURegionsWeek

**Big European goals...
but small Municipalities!**

How can municipalities shape the energy transition?

1. Screening

What the city is...

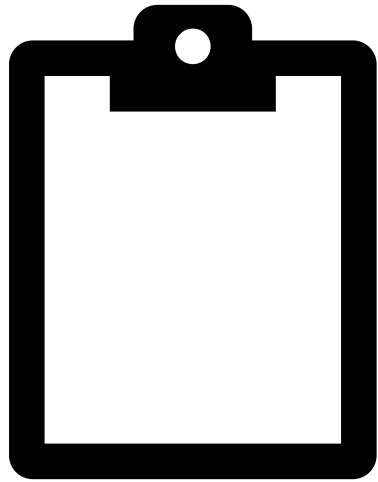

2. Visioning (2030-2050)

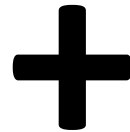

What the city could become...

1. Screening

Interviews

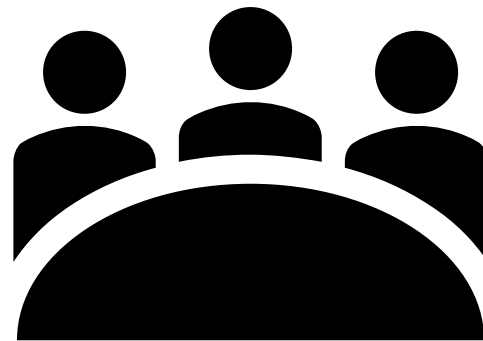

Document analysis

1. Screening

Output:

2. Visioning

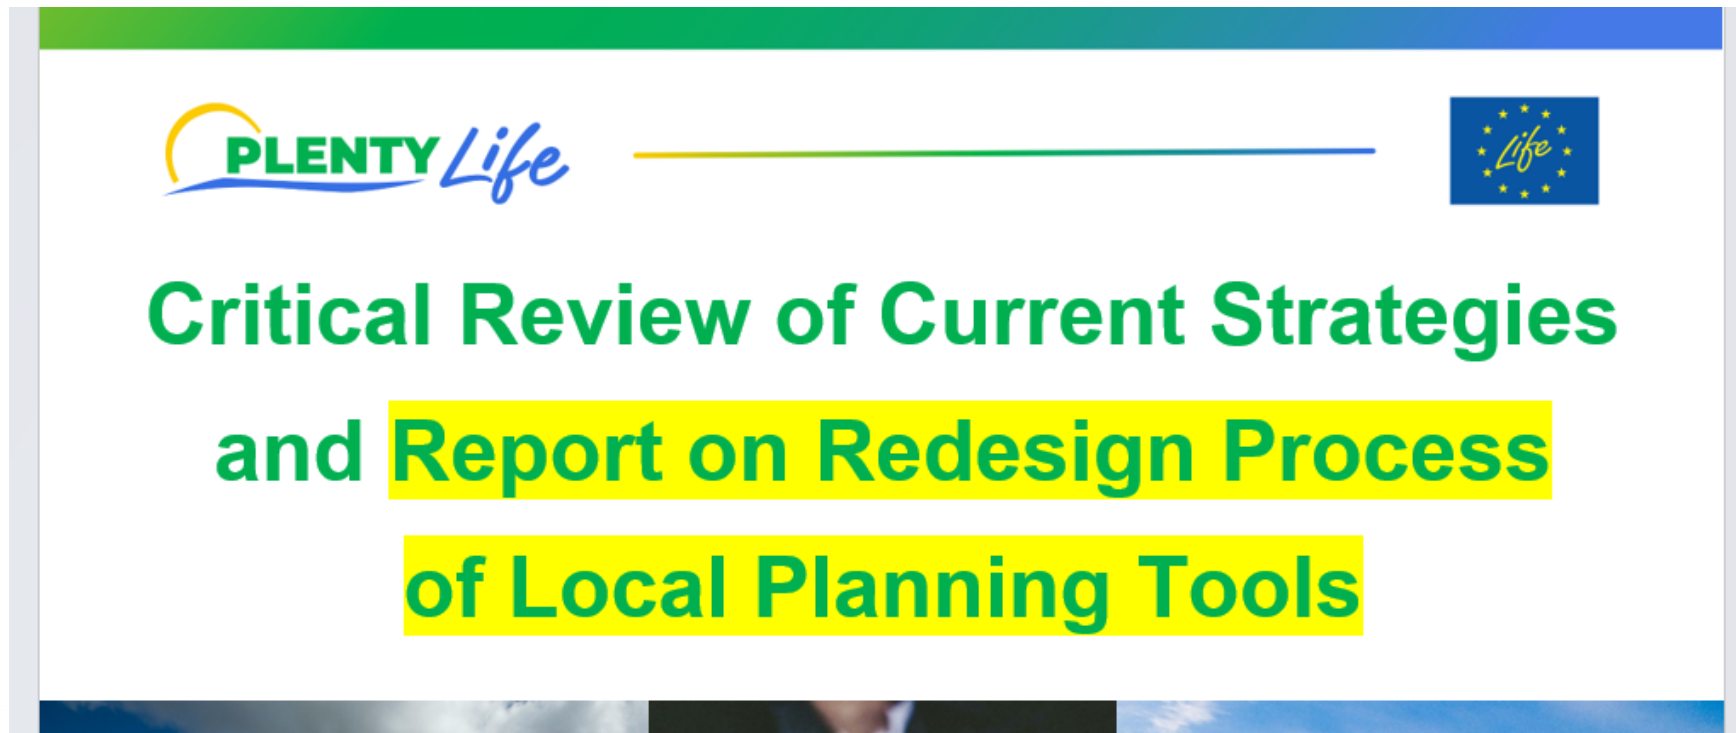

Workshops

2. Visioning (focus on workshops)

2. Visioning

Output:

2. Visioning

Next steps?

Deliver guidelines
for the formulation
of CET strategies
(i.e., spatialize ALT scenarios)

Guidelines for developing local CET strategies

Expected outcomes:

Thematic regeneration scenarios visualized through a **Regeneration Masterplan**

For each city:

- **Visions**
Short- and long-term
- **Regeneration strategies**
Enhanced communication through visualization of **opportunities, constraints and context-aware actions**

Q&A
